

February 2017

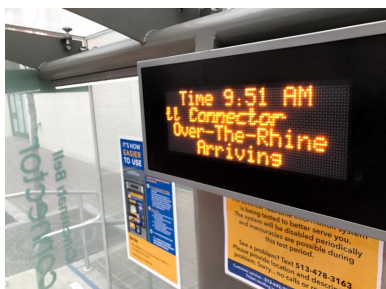

Cincinnati Bell Connector surpasses 350,000 rides!

As of Jan. 25, **358,966** trips have taken on the Cincinnati Bell Connector since its grand opening on Sept. 9.

Weekends continue to be a popular time to ride, but don't forget about the many exciting places to discover during the week! Go ahead, check out that new spot in OTR for lunch or stop into any of the many small businesses along the way. Heading to a business meeting nearby? Get out of the cold and hop aboard for a quick ride!

Real-time info screen testing

Testing of the real-time screens continues this week on all 18 of the streetcar stations. This will help improve customers' experience by providing accurate next vehicle arrival info for riders waiting at streetcar platforms.

Your help is needed! If you detect issues or inaccuracies with the real-time screens, please text **513-478-3163** with location, time and info displayed on the screen. Note: Text only, no calls please or reply texts.
