## Celebrate Bike Month on the CB Connector

May is National Bike Month! Did you know that the **Cincinnati Bell Connector** streetcar is the perfect escape for a tired cyclist?

With its low floor boarding, the **Connector** is 100% accessible for bicycles. If you plan on taking a ride this spring, here are some tips for biking on or around the streetcar:

- Streetcars share the road with cyclists. Use extreme caution when riding near streetcars or streetcar tracks.
- Try to cross the tracks at a right angle to avoid bike tires getting caught in the tracks.
- Look and listen ... never cross in front of a moving streetcar.
