Ride the streetcar to enjoy BLINK

BLINK is a four-day immersive and inclusive art and light event that will span 20 city blocks (from Cincinnati's Banks to Findlay Market), Oct. 12-15, 7 p.m.-midnight. Cincinnati will glow with projection mappings, murals, light-based interactive sculptures and urban artscapes produced by regional, national and international artists. BLINK will begin with a light parade near Washington Park, Oct. 12, 7 p.m.

To make navigating BLINK easy, most of this transformative event will happen along the route of the Cincinnati Bell Connector. Park anywhere along the BLINK route and use the streetcar to move from point-to-point. BLINK is also accessible by foot and Red Bike.

Free and open to the public, BLINK is produced by Agar, ArtWorks, Brave Berlin, The Carol Ann and Ralph V. Haile, Jr./U.S. Bank Foundation and the Cincinnati USA Regional Chamber. Learn more about BLINK at BLINKcincinnati.com.
